

LVMMA Classroom Wish List

Our LVMMA families have blessed us with many wonderful gifts over the years during the holiday season or at the end of the year. Of course, these gifts are not necessary, but they are much appreciated. We thought we might provide a different option for parents who choose to invest in the school during the gift-giving season. Parents who choose to use this wish list can purchase an item or contribute a monetary gift toward a specific item. Thank you again for your thoughtfulness.
